

# Looking Ahead: Data Privacy and Labor and Employment Considerations with Return to Office

Tuesday, May 11, 2021

9:00 a.m. Central | 4:00 p.m. Swiss CET

We are delighted to invite you to this exclusive 90-minute virtual roundtable during which Lex Mundi member firm lawyers will share insights and best practices at the intersection of data privacy and labor and employment in connection with "Return to the Office". The meeting will be interactive, conducted in English and cover the following trending topics in Europe, the United Kingdom and United States:

- COVID-19 Vaccination Policies
- Contact Tracing
- Testing
- Keeping or prohibiting remote working
- Newly required/recommended documentation and changes necessary to existing documentation
- Procedures to follow prior to a return to the workplace
- Other health and safety measures
