

About us

Best-in-class legal services, made in Switzerland

Since 1911, Pestalozzi has focused as a commercial law firm on demanding mandates for national and international clients. Our lawyers in our offices in Zurich and Geneva are characterised by their strength and empathy and are known for their independent approach in advising and representing their clients.

Our expertise

As our client, you benefit from the know-how of over 150 partners, attorneys and support staff. With practice groups and expertise in all areas of business law, we are able to form customized teams to meet any challenge.

Our contacts with our international top-tier network of law firms and lawyers and our membership in Lex Mundi (www.lexmundi.com) give you access to top-quality legal services in jurisdictions worldwide.

- Trading and retail
- Travel and entertainment

Our history

Founded in 1911 by Dr. Josef Henggeler, our firm is the longest established of all of Switzerland's major law firms. It subsequently grew and flourished under the management of Dr. Anton Pestalozzi and Dr. Paul Gmür, providing top-flight legal advice and services to a wide range of national and international clients.

In 1992, we extended our geographical reach and opened offices in Geneva.

Since 2008 the firm has operated under the name Pestalozzi Attorneys at Law Ltd.

Expertise and Industries

Blockchain & Crypto Assets

Innovating with Legal Certainty We advise technology-driven clients on the full spectrum of legal and regulatory issues arising from distributed ledger technology (DLT), tokenization, and digital asset ecosystems. Our counsel is rooted in a deep understanding of the evolving Swiss and global regulatory landscape and tailored to support innovation with legal certainty.

Capital Markets

The Pestalozzi Capital Markets practice group provides domestic and international clients with a full suite of Swiss capital markets legal advisory services.

Competition & Trade

The Competition & Trade practice group provides Swiss and international clients in all industries with a full range of legal advice related to Swiss and European competition law as well as trade regulation-related issues (WTO, customs, registrations).

Compliance

In an increasingly regulated business environment, compliance – and, in particular, compliance management – is assuming greater importance for companies at both national and international level. Clients who work with us can count on professional legal support on all corporate, financial service and tax compliance matters, risk management issues and investigations, especially when these involve white-collar irregularities.

Corporate / M&A

The Corporate / M&A practice group provides domestic and foreign clients with a full range of Swiss corporate and commercial legal advisory services (contract law, corporate law, corporate services, M&A as well as capital market law).

Employment & Pensions

The Pestalozzi Employment practice group assists Swiss employers and senior executives in every aspect of Swiss employment, labor, immigration and pension law.

Energy

The Energy Law practice group provides a full range of Swiss contractual, corporate, financing and regulatory advisory services to Swiss and international clients in the energy sector. Our experts are experienced in representing clients in administrative procedures with the regulatory authorities as well as in national and international litigation or arbitration proceedings.

Environment, Social, Governance (ESG)

Environmental, social and governance (ESG) matters have become a strategic priority for companies, while at the same time regulation has become increasingly complex. We help clients successfully navigating the multidimensional and complex ESG landscape.

Financial Services

We offer a full range of transactional, regulatory and investigative services to the financial industry in Switzerland and abroad.

Insurance

The Insurance practice group provides a full range of regulatory, transactional, commercial and dispute resolution services to Swiss and international clients in the insurance sector.

IP & TMT

Our IP & TMT practice group provides results-oriented, effective and feasible solutions for all aspects of intellectual property (IP), unfair competition and data protection law, as well as IT, telecommunications and media and technology (TMT) law.

Life Sciences

The Life Sciences practice group provides industry-specific legal and tax advice to companies operating in the field of life sciences technologies. Our practice areas range from biotechnology and medical technology to the pharmaceutical industry, covering diagnostics, personalised medicine, dietary supplements, cosmetics, food processing, biochemistry and medical devices and equipment, as well as other regulated products and services. In addition, the experts of our Life Sciences Practice Group support organisations and institutions in research and development projects, processing and use of digital data, technology transfers, commercialisation of intellectual property rights as well as the establishment of distribution structures.

Litigation & Arbitration

The Litigation & Arbitration practice group has a long-standing reputation for offering superior advisory services to domestic and international clients across a broad range of commercial, corporate, and financial issues. We represent states and state-owned entities, businesses from large international corporations to small and medium-size enterprises, together with private clients, in complex civil, criminal, and regulatory disputes at national and international level before state courts, authorities, and arbitral tribunals.

Private Clients

Our Private Clients practice group addresses the needs of Swiss and non-Swiss individuals and families, foundations and trusts, private banks, family offices and other wealth management service providers. We offer sophisticated, tailor-made as well as administrative solutions designed to cover the legal, regulatory and tax aspects of global planning, coordination and structuring of private wealth and business assets.

Private Equity & Venture Capital

Our Private Equity and Venture Capital practice group advises clients on the full spectrum of private equity and venture capital transactions – from initial investment through to exit.

Real Estate & Environment

We offer clients a comprehensive portfolio of services for all kinds of building projects, from industrial plant to offices, hotels and restaurants through to residential housing. Apart from construction, our interdisciplinary expertise covers a vast range of real estate-related services from portfolio transactions and due diligence reviews to commercial and residential rent, acquisition, financing, sale, sale and lease-back agreements, together with many related areas listed below. Further, we regularly advise public authorities and bidders on public procurement matters.

Tax

The Pestalozzi Tax practice group advises clients on a complete range of Swiss tax matters and international tax issues.

Ludivine Boisard

Partner, Geneva
Attorney at law

Ludivine Boisard is a partner and member of the Financial Services, the Real Estate & Environment and the Corporate/M&A Groups in Geneva. Her practice covers all types of domestic and cross-border banking transactions, with an emphasis on financing transactions. She also advises clients on financial services regulations, including regulatory and contractual issues relating to the establishment and the business of banks, securities dealers, asset managers and exchanges.
