

Tax

The Pestalozzi Tax practice group advises clients on a complete range of Swiss tax matters and international tax issues.

Our expertise

As tax experts working as part of a full-service law firm, we are able to render all our tax services as integrated services across any combination of legal areas.

In terms of industry focus, we have a long tradition of advising clients on industry-specific tax matters in the financial services industry, including asset management / investment funds, banking, capital markets, commodities and real estate, and in the pharmaceutical / life science and IT industries, including fintech.

We also have a long tradition of handling tax issues for private clients.

Our services

We offer tax advice, tax compliance and tax litigation services.

We also provide project management for cross-border tax work.
