

Employment & Pensions

The Pestalozzi Employment practice group assists Swiss employers and senior executives in every aspect of Swiss employment, labor, immigration and pension law.

Our expertise

Clients choose Pestalozzi because we have built up a thorough understanding of Swiss employment rules and standards. Our successful practice addresses all the main issues relevant to employment, labor and immigration.

These include contracts, long-term incentive plans, bonus, share or option plans and employment issues arising during mergers and acquisitions.

At the operational level, we efficiently handle the domestic and cross-border transfer of employees, business restructuring, termination of employment agreements, downsizing, outsourcing and the closure of production lines as well as workforce restructuring and mass dismissals.

We also cover the drafting of employment agreements, policies and regulations, and help Swiss employers obtain work and residence permits for foreign employees and their family members.

Our services

We offer a comprehensive range of advisory services covering the following areas:
